Description

Location

Situated at Cannerplein 3 in Maastricht, in the Mariaberg / Eastern city district. This location offers a quiet residential environment combined with excellent accessibility and urban amenities.

Property Description

- Investment property consisting of 6 self-contained, furnished studios with floor areas between approximately 25 m² and 30 m². Suitable for individual tenants such as students or young professionals (has never experienced vacancy).
- Each studio is fully equipped: living/sleeping area, kitchen unit, bathroom. Example: studio of 25 m² with separate kitchenette and bathroom.
- Energy label A according to the new 2025 scoring system.
- Well-maintained property – the roof is insulated.
- Equipped with shared facilities: in the basement a washing machine, dryer, and ironing board/ironing facilities for communal use.
- Front side: garden with bicycle storage – a major asset in a student/tenant market.
- Rental appeal: optimal due to the furnished self-contained studios and its favorable location near universities and supermarkets.

Technical Details

- Year of construction: approx. 1920.
- Surface area per unit: approx. 25–30 m².
- Number of units: 6.
- Condition: good; insulated roof, energy label A – resulting in lower energy costs and reduced maintenance risks.
- Target rental market: expats and students.
- Accessibility: good public transport connections in the vicinity (e.g., bus stop at or near Cannerplein).

Total Gross Revenue 2025: €60,060

Total Net Revenue 2025: €50,822.23
