Description

Spacious family home in a quiet, child-friendly location

Are you dreaming of a place where children can play carefree while your family enjoys peace, space, and comfort? This generously sized semi-detached home is situated in a green, safe neighborhood where everyday living feels just that little bit better.

Upon entering, you are welcomed into the hallway with a wardrobe area and guest toilet, leading into the bright and inviting living and dining room. French doors seamlessly connect the indoors with the outdoors, making the spacious, low-maintenance garden a natural extension of the living space. There's plenty of room for a trampoline, children at play, or long summer evenings with family and friends. The covered terrace allows you to enjoy outdoor living all year round. A practical garden shed provides additional storage for bicycles, toys, and gardening equipment.

The open-plan kitchen is modern and fully equipped, including a dishwasher, oven, and a 5-burner gas hob. Whether you're preparing a quick meal or enjoying cooking together, this kitchen offers everything you need.

Upstairs, you'll find three comfortable bedrooms, ideal as children's rooms, a nursery, or a home office. The bathroom is neatly finished and equipped with a shower and washbasin. The attic level features a surprisingly spacious additional room with a dormer window - perfect as a playroom, workspace, or an extra bedroom.

The location adds to the appeal: set in a quiet and family-friendly neighborhood, close to nature, schools, and a supermarket. Everything you need is within easy reach, and parking is available right in front of the house.

A warm and practical home where your family can settle in immediately and truly feel at home.
