Description

LUXURY FURNISHED RENTAL APARTMENTS AMSTERDAM

Amazing design apartments completely furnished by Nicemakers – a price winning styling agency which is famous for projects including the Hoxton Hotel at the Herengracht.

Project De Keizer was realised in the middle of the centre of Amsterdam. De Keizer consists of 13 exclusive apartments ranging from new construction apartment (with lift) to high end renovated apartments in monumental 18th and 19th century buildings. The diversity of the houses is great: from an efficiently laid out single bedroom apartment to spacious loft apartments with a roof terrace. All houses look out on the convivial Spuistraat.

Project De Keizer is located in the middle of the centre of Amsterdam: at the Spuistraat, Wijdesteeg and Het Keizerrijk. Between the Royal Palace at Dam Square and the atmospheric Spuiplein, famous for its range of catering establishments. Together with the W Hotel with businesses like Mr. Poter and The Dutchess, the offer is completed. It is not possible to live at a more central location in the city. De Keizer is the ultimate location to enjoy everything Amsterdam has to offer: galleries, theatres, restaurants, clubs, the most comprehensive offer of shops, including various shops for daily groceries, the Nine Streets as well as luxurious shopping centres, such as Magna Plaza and De Bijenkorf. For fresh organic products you can head to the Noordermarkt on Saturday.

In short, living in the very heart of the centre of Amsterdam means that you have everything within reach!
