Beschrijving

De Kuil, you'll enjoy peaceful living in a lush, green setting. The complex is ideally located along the newly designed dike and park zone between the Hilledijk and the Brede Hilledijk, where urban convenience meets natural tranquility. The beautifully landscaped inner courtyard offers a serene retreat, complete with seating areas, shrubs, perennial plants, and aromatic herbs.

This bright and spacious park apartment is situated on the top floor, offering stunning open views and an abundance of natural light throughout the day. The generous balcony provides the perfect spot to relax and take in the surroundings.

The apartment comes fully furnished and is thoughtfully laid out. It features two bedrooms: one with a comfortable double bed and another with a single bed that can easily be extended into a double. There is also an additional room that can be furnished with a bed if desired, making it ideal as a third bedroom, home office, or guest room.

The inviting living room with open-plan kitchen is fully equipped with modern appliances and offers direct access to the terrace, creating a seamless indoor-outdoor living experience.

Additional features include a private parking space in a secure underground garage, a separate bicycle storage area, and a convenient private storage unit – everything you need for comfortable and hassle-free living.
